Country Of Origin: China

TSM10-1LI

Brand Features

Leviton Toggle Slide Universal Dimmers provide smooth, slide-action, full-range dimming for incandescent, halogen, MLV dimmable LEDs and dimmable CFL loads. They combine a toggle switch with a full-range slide bar for precise lighting control. For a traditional home, the classic style of Toggle Slide Controls offers the ideal way to upgrade the functionality of devices without compromising the character of the décor.

Item Description

Universal Dimmable LED, CFL, MLV, Incandescent and Halogen Toggle-Slide Dimmer, 1000W-120VAC Incandescent, 1000VA-120VAC MLV,400W-120VAC 60Hz, Single Pole and 3-Way - Ivory

Technical Information

Product Features

Action: Toggle Switch for ON/OFF, slide bar for lighting level control
Available Colors: White, Ivory, Light Almond
Color: Ivory
Frequency: 60 Hz
Load Rating: 1000W Incandescent, 1000VA MLV, 400W LED and CFL
Load Type: Incandescent, Halogen, Dimmable LED, Dimmable CFL
Locator Light: Green locator light that can be disabled
Phase Control: Forward phase control
Preset: Slide bar preserves desired lighting level
Protection: Radio/TV Filter
Standards and Certifications: cCSAus, NOM
Style Name: Toggle Slide
Switch Type: Single-Pole & 3-Way
Type: Electro-Mechanical
Voltage: 120 VAC
Wallplate: Order Separately
Warranty: 5-Year Limited

Features and Benefits

- Designed for optimal control of dimmable LED and dimmable CFL lamps and Magnetic Low Voltage loads. Also compatible with Incandescent and Halogen lamps.
- Microprocessor control offers flexibility to fine-tune for best performance with LED and CFL's
- Setting available for ensuring start up for CFL lamps
- Wider dimming range for LED and CFL lamps than conventional incandescent dimmers
- Programming feature allows users to modify the dimming range to optimize low light level performance when required
- Toggle switch with built-in locator light can be disabled
- Integrated linear full-range slide control for easy, precise operation
- Separate ON/OFF toggle switch that preserves the selected setting
- Provides single pole (one location) or 3-way (two location) control when paired with a 3-way switch
- Slim, compact housing fits easily into a standard wallbox
- Suitable for multi-gang installations
- No removal of fins required for multi-gang installations
- Available in White, Ivory and Light Almond
- Built-in radio/TV interference filter
