

INCANDESCENT ROPE LIGHT

- Cost effective lighting for a variety of applications
- Flexible, cost effective linear lighting for a variety of applications
- Bright incandescent bulbs inside a colored PVC housing with nine different color options
- Bulk reels can be field cut every 18" for maximum project flexibility
- Each reel includes five connector kits and 50 mounting clips

INCANDESCENT

| PART NUMBER | COLOR |
|--|---------|
| 1/2" Rope light - 150 ft - 5.5W per ft | |
| RL-AM-150 | AMBER |
| RL-BL-150 | BLUE |
| RL-CL-150 | CLEAR |
| RL-FR-150 | FROSTED |
| RL-GR-150 | GREEN |
| RL-PI-150 | PINK |
| RL-PU-150 | PURPLE |
| RL-RE-150 | RED |
| RL-YE-150 | YELLOW |
| 3/8" Rope light - 150 ft - 5.5W per ft | |
| MRL-AM-150 | AMBER |
| MRL-BL-150 | BLUE |
| MRL-CL-150 | CLEAR |
| MRL-FR-150 | FROSTED |
| MRL-GR-150 | GREEN |
| MRL-MU-150 | MULTI |
| MRL-PI-150 | PINK |
| MRL-PU-150 | PURPLE |
| MRL-RE-150 | RED |
| MRL-YE-150 | YELLOW |

POWER ACCESSORIES

| PART NUMBER | DESCRIPTION |
|------------------------------------|---|
| 1/2" Rope Light Accessories | |
| RL-LED-CONKIT-1.6AMP | Power connector kit with 120V AC power cord, power connector, end cap |
| RL-PWR | Non-UL power connector |
| RL-INV SPL | Invisible splice connector for connecting sections of rope light; use with RL-ST-3 |
| RL-ST-3 | Clear shrink tube for use with invisible splice connections; 3" in length, sold in bags of 10 |
| RL-TRACK-4 | 4ft long clear mounting track for straight line installations, with UV stabilizer for outdoor use |
| RL-CLIP/SCREW | Clear "U" shaped mounting clip to securely hold rope light in place. Includes one mounting screw |
| 3/8" Rope Light Accessories | |
| MRL-LED-CONKIT-1.6AMP | Power connector kit with 120V AC power cord, power connector, end cap |
| MRL-LED-PWR | Non-UL power connector |
| MRL-LED-INV SPL | Invisible splice connector for connecting sections of rope light; use with MRL-ST-3 |
| MRL-ST-3 | Clear shrink tube for use with invisible splice connections; 3" in length, sold in bags of 10 |
| MRL-TRACK-4 | 4ft long clear mounting track for straight line installations, with UV stabilizer for outdoor use |
| MRL-CLIP/SCREW | Clear "U" shaped mounting clip to securely hold rope light in place. Includes one mounting screw |

Power Connector Kit
(RL-LED-CONKIT-1.6AMP)
(MRL-LED-CONKIT-1.6AMP)

Power Connector
(RL-PWR)
(MRL-LED-PWR)

Splice Connector
(RL-INV SPL)
(MRL-LED-INV SPL)

Shrink Tube
(RL-ST-3)
(MRL-ST-3)

Mounting Track
(RL-TRACK-4)

TECHNICAL SPECIFICATIONS

| | |
|---------------------|---|
| Voltage | 120V, 60Hz AC operation (1.6A inverter on power cord converts AC to DC) |
| Construction | Heat resistant clear PVC housing with LEDs every 1", vertical mount |
| Cuttability | AM, RE, YE = 60", BL, GR, WH and WW = 36" (no longer UL Listed if cut) |
| Wattage | LED 0.8 watt per ft |
| Power cord | 5 ft length with two blade polarized plug, white |
| Maximum run | 150 ft length |
| Rated life | 60,000 hours average rated life |
