

1 Phone

5 Ways to Unlock a Door

BIOMETRIC

Use facial recognition or fingerprint ID, depending on your phone settings.

SCAN

Swipe your phone at the reader (like a card).

TOUCH

From your phone, tap the icon of the door to unlock it.

VOICE

Simply open the app and say, "Open Door."

AUTOMATIC

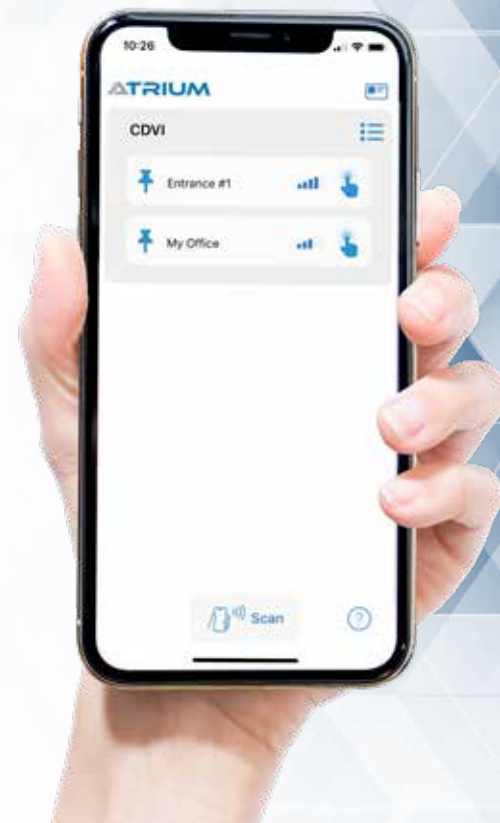

When the app is open, the reader will automatically detect your Mobile-PASS.

You'll never forget your access card again.
