

Datasheet

IP-MDS - PoE Multi-Tenant Station (Surface Mount)

Product Description

CDVI's intercom system provides video entry solutions for residential and commercial properties alike. With both IP and a free smartphone app, take advantage of a flexible, affordable and reliable security system.

The IP-MDS is a multi-tenant outdoor station ideal for apartment buildings or commercial properties. This device can manage up to 500 tenants. It features a 170° fisheye camera, touchscreen menu and an integral dual technology card reader. The IP system facilitates connection through PoE, making the intercom system seamless and easy to use.

- Built-in multi-technology card reader (125 kHz and 13.56 MHz)
- PoE
- 5" touch screen
- Surface mount
- Micro SD card port for backup
- 170° fisheye camera
- Also available in flush mount: IP-MDSF

 Certification

 DEEE

RoHS Certification

 IP54

 14°F to 122°F
(-10°C to 50°C)

Product Specifications

Material:	Stainless steel panel
Mounting:	Surface
Technology:	IP
Card reader:	MIFARE®, Proximity 125 khz
Camera:	Type 1/3.7" Ultra Sense, ISP with 77dB WDR 170° fish-eye lens
Screen:	800 x 480 pixels
Unlocking time:	1 to 99s
Port	Micro SD card port
Relays:	2
Cable type:	Cat-5e or Cat-6
Weight:	2 lb, 0.9 kg

Electrical Specifications

Power input:	PoE (IEEE 802.3af Class 0)
Lock power supply:	12 V DC, 250 mA (Internal power - fail safe only) (Dry contact - fail safe or fail secure)

Accessories

IP-SDS

PoE Single Door Station

IP-MON

PoE Touch Screen Monitor
