

Universal Head Hot Sticks and Tools

Universal sticks feature a high-quality, foam-filled, fiberglass reinforced plastic core providing maximum insulation and mechanical strength. They are light-weight and easy-to-handle with a hard-gloss, porosity free bright safety yellow finish which is easy to clean; won't chip or peel.

CLOSE-UP: Universal Head with Disconnect Stick Adapter.

Universal Sticks

- With permanently mounted fiberglass prongs which adapts to all Universal fit-on type tools
- With disconnect hook

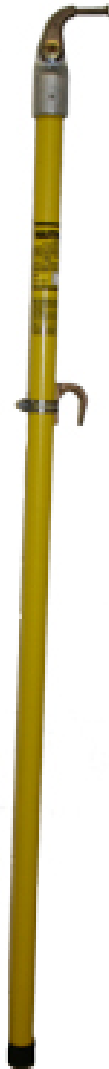

Tools & Accessories

- A complete line of tools and attachments for virtually any application, from pruning to cleaning to sawing, is available.
