Power Defense 4

Power Defense 5

The Power Defense™ (PD) molded case circuit breaker product line offers various styles of plug-in adapters or blocks for molded case circuit breakers. PD1 features a single-piece molded plug-in block with rear-connected line and load terminals. PD2 and PD3 offer a single-piece line-and-load style plug-in block with an optional rear connector kit. This design supports compatibility with all standard lugs. PD2, PD4 and PD5 support rear-connected, separate line-and-load style plug-in blocks.
