Eaton's Wiring Devices USB charging devices

## **Charging solutions** for every device

Eaton's USB chargers offer fast, convenient and efficient charging of portable electronic devices directly from a standard outlet without bulky adapters or powered computers. This innovative line eliminates clutter in residential and commercial environments while enabling compatibility with USB Type A and C electronics, including smart phones, tablets, e-readers, cameras, MP3 players and more.

#### Perfect for use in residential, commercial and healthcare applications

- Homes
- · Lounges and coffee houses
- Offices
- OEM applications
- Hotels
- Airports
- Classrooms Auditoriums
- Lobbies
- Libraries

## Eaton's high powered charging solutions

#### **USB-C** charging devices

USB-C duplex receptacle offers fast, convenient and efficient charging of Type C devices

- · Dual **5A** Type-C charging capacity
- Reversible ports allow for consistent charging regardless of plug-in orientation
- Available in 15A & 20A

#### USB-A/C charging devices

Quick and easy access for both USB charging and electrical outlets

- Combination devices offering USB Type-A and Type-C ports
- 5A charging capacity on USB duplex receptacles
- Available in 15A & 20A

#### **USB-A** charging devices

Quick and easy access for both USB charging and electrical outlets

- · Dual 5A Type-A charging capacity
- Available in 15A & 20A

#### **Product description**

2-pole, 3-wire grounding 15A, 125V/AC, 5V/DC, 5.0A 20A, 125V/AC, 5V/DC, 5.0A NEMA 5-15R, 5-20R

#### **Design features**

- Standard duplex receptacle with one USB-A and C, or two USB-A or two USB-C or one ports rated at a combined 5.0A
- Dual USB-C charging ports charge most electronic devices that comply with the latest USB-C standard
- Tamper resistant shutters provide compliance with 2017 NEC® Article 406.12 that states that all 15A and 20A, 125V receptacles installed in dwelling units must be tamper resistant
- Automatic grounding system eliminates need for bonding jumper in grounded metal enclosure, provides redundant measure of

- ground continuity where jumper is used
- Thermoplastic top and back-body are virtually unbreakable to deliver years of durable performance
- Steel mounting strap is zinc plated for added corrosion resistance
- Convenient patented built-in wire strippers speed installation
- Triple wipe blade contacts and double wipe ground contacts to insure long-term blade retention
- · Replaces a standard duplex receptacle

# We make what matters work.\*

\* At Eaton, we believe that power is a fundamental part of just about everything people do. Technology, transportation, energy and infrastructure-these are things the world relies on every day. That's why Eaton is dedicated to helping our customers find new ways to manage electrical, hydraulic and mechanical power more efficiently, safely and sustainably. To improve people's lives, the communities where we live and work, and the planet our future generations depend upon. Because that's what really matters. And we're here to make sure it works.
