

**Color:**  Light Almond

**UPC Code:** 07847777168

**Country Of Origin:** China

## TSM10-1LT

### Brand Features

Leviton Toggle Slide Universal Dimmers provide smooth, slide-action, full-range dimming for incandescent, halogen, MLV dimmable LEDs and dimmable CFL loads. They combine a toggle switch with a full-range slide bar for precise lighting control. For a traditional home, the classic style of Toggle Slide Controls offers the ideal way to upgrade the functionality of devices without compromising the character of the décor.

### Item Description

Universal Dimmable LED, CFL, MLV, Incandescent and Halogen Toggle-Slide Dimmer, 1000W-120VAC Incandescent, 1000VA-120VAC MLV, 400W-120VAC 60Hz, Single Pole and 3-Way - Light Almond

### Technical Information

#### Product Features

**Action:** Toggle Switch for ON/OFF, slide bar for lighting level control

**Available Colors:** White, Ivory, Light Almond

**Color:** Light Almond

**Frequency:** 60 Hz

**Load Rating:** 1000W Incandescent, 1000VA MLV, 400W LED and CFL

**Load Type:** Incandescent, Halogen, Dimmable LED, Dimmable CFL

**Locator Light:** Green locator light that can be disabled

**Phase Control:** Forward phase control

**Preset:** Slide bar preserves desired lighting level

**Protection:** Radio/TV Filter

**Standards and Certifications:** cCSAus, NOM

**Style Name:** Toggle Slide

**Switch Type:** Single-Pole & 3-Way

**Type:** Electro-Mechanical

**Voltage:** 120 VAC

**Wallplate:** Order Separately

**Warranty:** 5-Year Limited

**Features and Benefits**

- Designed for optimal control of dimmable LED and dimmable CFL lamps and Magnetic Low Voltage loads. Also compatible with Incandescent and Halogen lamps.
- Microprocessor control offers flexibility to fine-tune for best performance with LED and CFL's
- Setting available for ensuring start up for CFL lamps
- Wider dimming range for LED and CFL lamps than conventional incandescent dimmers
- Programming feature allows users to modify the dimming range to optimize low light level performance when required
- Toggle switch with built-in locator light can be disabled
- Integrated linear full-range slide control for easy, precise operation
- Separate ON/OFF toggle switch that preserves the selected setting
- Provides single pole (one location) or 3-way (two location) control when paired with a 3-way switch
- Slim, compact housing fits easily into a standard wallbox
- Suitable for multi-gang installations
- No removal of fins required for multi-gang installations
- Available in White, Ivory and Light Almond
- Built-in radio/TV interference filter
