

## S6660GNK

by Wiegmann

Catalog ID: S6660GNK

N1 Screw-Cover Wireway - No Knockouts 6X6X60 Carbon Steel - Galvanized

- Bodies and covers are fabricated from 16 gauge pre-galvanized steel. S Series screw cover design covers held firmly in place with captivated screw fasteners.

## Product Details

### General

|                |                                                                                                                                                                                                                   |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application    | Designed to protect electrical wiring in applications where dirt, dust, oil, and water are not serious problems. All sections are open on one side so wires and cable can be laid in along an entire wireway run. |
| Cover Type     | Screw Cover                                                                                                                                                                                                       |
| Enclosure Type | Nema 1 Type Enclosure                                                                                                                                                                                             |
| Finish Type    | Galvanized                                                                                                                                                                                                        |
| Knockouts      | No                                                                                                                                                                                                                |
