XFiT Outdoor Fixtures

Keystone's line of highly efficient LED outdoor lighting solutions.

Keystone has a wealth of solutions for your entire building, inside and out.

Our popular line of XFit fixtures can meet all your lighting needs for building exteriors, parking lots, pathways, and other outdoor areas. Innovative features such as Color Select, Power Select, OpticSwap, and FormFit allow you to make adjustments in the field in seconds, so you can use the same fixture for multiple jobs on a project.

Count on Keystone to bring you well-designed, versatile products that allow for dramatic SKU/stocking reductions and help contractors save time with easy installation, while providing customers with dramatic energy savings.

That's Keystone. That's Light Made Easy®.
