HYBRID TOOLBOX

FULLY REMOVABLE LID FOR DUAL USE AS AN OPEN CRATE

54824MB

Connects to MODbox™ Mobile Workstation

HYBRID TOOLBOX

Klein Tools MODbox™ Hybrid Toolbox features a removable lid for dual use as an open crate. Lid conveniently attaches to the bottom of the toolbox when being transported alone as a crate. Two adjustable dividers for flexibility. Hybrid Toolbox is IP64 rated for weather protection, 75-Pound (34 kg) capacity, and made with impact resistant polymers. Comes with a removable tool tray. Easily connects with other MODbox™ components to make a custom mobile workstation.
