

KNIPEX Quality – Made in Germany

KNIPEX StepCut

Induction hardened cutting edges, precision-ground blades: lighter, cleaner cut without crushing

Innovative
step cut

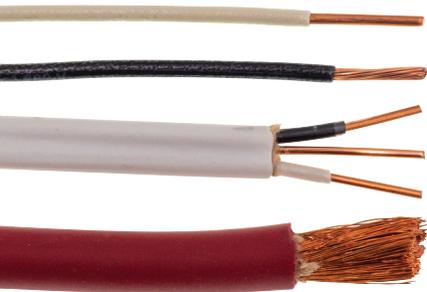

KNIPEX StepCut – Cable Shears

Cable cutting made easy: innovative step cutting separates and cuts one by one

- ▶ Small, light, strong: comfortable cutting without crushing and just 6 1/4" in length
- ▶ The cutting edge gradations cut wires one after the other making cutting 40% easier than with standard cable shears of the same length

- > Cuts multi-core stranded copper and aluminium cables up to 1/0 AWG
- > Cuts without crushing
- > Bolted joint provides precise and smooth cutting
- > Pinch guard prevents operators' fingers being pinched
- > Not suitable for steel wire and hard drawn copper conductors
- > Induction hardened cutting edges; approx. 56 HRC
- > High-grade special tool steel, forged, oil-hardened
