

adorne Collection
adorne® Graphite 1-Gang Screwless Wall Plate with Microban®
Part No. AWP1G2GR6

Dark, handsome and a little bit mysterious, it is perfect for adding on-trend edge to any space. Made exclusively for use with designer switches and outlets from the adorne® Collection. This wall plate* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. * Existing inventory of switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology.

Includes one Wall Plate and one Steel Frame for mounting the wall plate.

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

A perfect finishing touch for any space, adding a sleek and contemporary aesthetic through its screwless design and low-profile.

Made to exclusively fit the designer switches, dimmers and outlets from the adorne® Collection, snapping into place with ease.

Other Wall Plates from the adorne® Collection are available in extensive range of on-trend colors, materials and cast metals.

Coordinate with other designer switches and outlets throughout your home for a cohesive, contemporary look.
