

Smaller, lighter, and field adjustable.  
The next-generation LPACK proves that less is more.

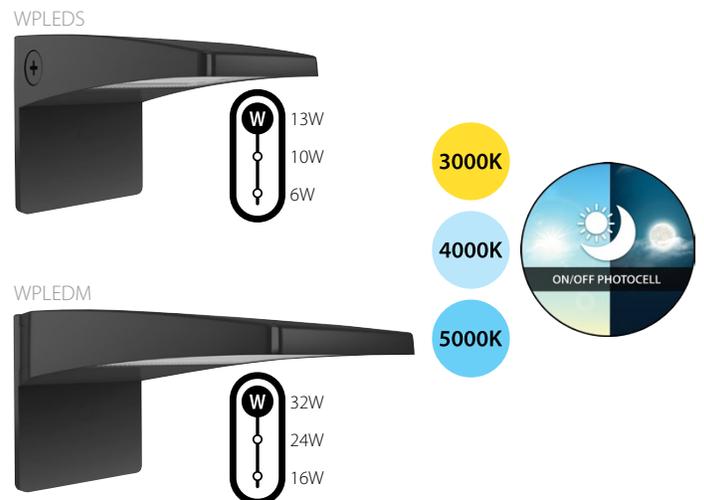

### Bigger isn't always better.

The reimagined LPACK is a fraction of the size of its predecessor. The more sustainable design weighs 50% less, has a lower profile, and has a smaller overall form size for a sleeker aesthetic that delivers even more light output!

### Field adjustability reduces SKUs.

We've also added selectable wattage and color temperature to the LPACK, eliminating the need to choose between 10, 13, 18, or 26W models. One SKU does it all! An on/off photocell is also included for additional flexibility.

100,000-HOUR LED LIFESPAN

0-10V DIMMING

UNIVERSAL VOLTAGE

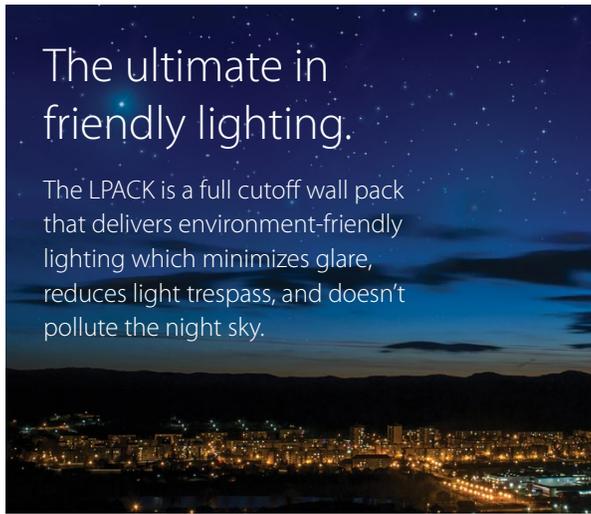

EMERGENCY BATTERY

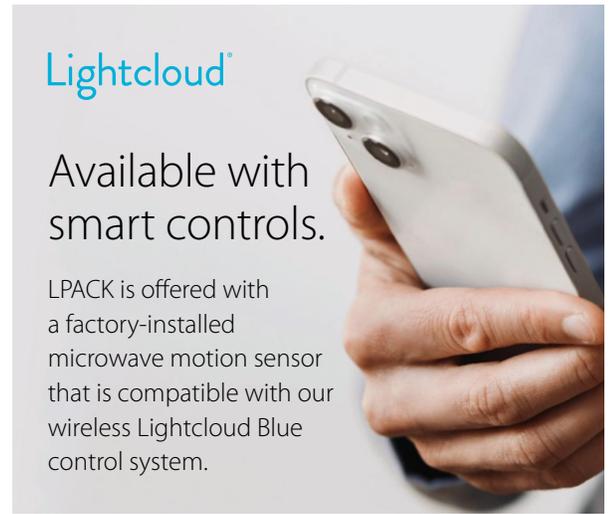

5-YEAR, LIMITED WARRANTY

RAB's warranty is subject to all terms and conditions found at [rablighting.com/warranty](http://rablighting.com/warranty)

## The ultimate in friendly lighting.

The LPACK is a full cutoff wall pack that delivers environment-friendly lighting which minimizes glare, reduces light trespass, and doesn't pollute the night sky.

### Lightcloud®

## Available with smart controls.

LPACK is offered with a factory-installed microwave motion sensor that is compatible with our wireless Lightcloud Blue control system.

## Mounting accessories.

Both sizes come standard with an integrated j-box and an optional wall plate, but accessories are also available for additional mounting options.

- 24" Straight Arms:
- ARM24S & ARM24SW
  - ARM24M & ARM24MW

- 24" Swivel Arms:
- ARM24SVS & ARM24SVSW
  - ARM24SVM & ARM24SVMW

- 65° Swivels:
- SWIVEL65S & SWIVEL65SW
  - SWIVEL65M & SWIVEL65MW
