## KEY FEATURES

- Canless new Construction Plate
- 1/2" Drywall Collar makes lining up drywall and cutting easier
- Meet local code requirements by mounting to a new construction framing
- Mounting slots enable full coverage between 12" and 24" joists
- Galvanized steel construction provides robust structure for mounting
- 5-Year, No-Compromise Warranty

## TECHNICAL SPECIFICATIONS

### CONSTRUCTION

- Galvanized steel plate with robust structure.
- Compatible with 4" & 6" canless remote driver downlights.

### COMPLIANCE

#### Listing

Can be used to meet local code requirements where install from below fixtures must be supported directly by building structure.

#### Environment/Fixture Rating

Suitable for use in dry and damp environments.

#### Lawful for Sale in California

Yes

#### RoHS

Mercury and UV free. RoHS-compliant components.

### MOUNTING

- Mounting holes and slots enable full coverage between 12- and 24- inch joists.
- For precise positioning, V notches facilitate the use of laser lines or guide strings.
- Mount canless downlight remote driver junction box directly to mounting plate.

### OTHER

#### Warranty

RAB warrants that our LED products will be free from defects in materials and workmanship for a period of five (5) years from the date of delivery to the end user, including coverage of light output, color stability, driver performance and fixture finish.

RAB warranty is subject to all terms and conditions found at: [rablighting.com](http://rablighting.com)

## COMPATIBLE FIXTURES
