

Z-Wrench

1-1/2 INCH TO 2-1/2 INCH Z-WRENCH

Catalog Number	SPJPZ2
UPC	784011212316

Description

Z-Wrench features extra wide jaws which spread the clamping force, enabling the tool to grip without marring the surface of the conduit. The "V" shaped upper jaw allows Z-Wrench to accommodate a wide range of conduit sizes. Shallow grooves in the upper and lower jaws provide an excellent grip.

Application

- Enables firm grip without marring the surface of the conduit

Features

- Provides grip without marring the surface of the conduit
- The "V" shaped upper jaw allows Z-Wrench to accommodate a wide range of conduit sizes
- Shallow grooves in the upper and lower jaws provide an excellent grip.
