

Last Review: May 7, 2018

Service Wire Co. certifies that the listed part numbers are in compliance with the European Union's "on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast)" (RoHS2) Directive 2011/65/EU without use of Annex exemptions, unless the specific exemption number is declared with the part number below. Additionally, Service Wire Co. is in compliance with the proposed revision (RoHS3) Directive 2015(863).

Service Wire Co. certifies that the listed part numbers are in compliance with China's "Administrative Measures on the Control of Pollution by Electronic Information Products (Ministry of Information Industry Order #39)", also called "China RoHS".

We further certify that the same listed part numbers are in compliance with the European Union Directive as of January 2018 on the Registration Evaluation Authorization and Restriction of Chemicals (REACH) and subsequent revisions. REACH compliant means that our products are categorized as articles under the REACH Regulations and as such do not contain more than 0.1% w/w of substances listed in the latest Substances of Very High Concern (SVHC) list which is released by the European Chemicals Agency.

We will continue to monitor the status of the candidate list as part of our on-going compliance activities, including the possible need under Article 33 of REACH to inform product recipients if an article contains more than 0.1% w/w per article of any substance that is added to the SVHC candidate list in the future.

No materials used, or manufacturing processes employed in the creation of supplied products, are known to affect Ozone or deplete Ozone. This requirement ("Montreal Protocol") will drive future internal decisions as to sub-component use and manufacturing processes utilized.

In an effort for our company to maintain conformance, we also obtain RoHS, REACH, etc. certification documents from our suppliers when applicable. This allows us to provide you with an auditable statement of conformance.

**Compliant part numbers:**

- **All Products**
