

# 10" Smooth Medallion

## *Specification Sheet*

Item Number **77037**

Create an attractive backdrop for a ceiling fan or fixture with this smooth white finish ceiling medallion. With a ridged edge and smooth white surface, this medallion offers understated style that goes well with any decor. The simple installation of this medallion is a great way to hide a hole if an opening in the ceiling is cut too large. It can also hide ceiling blemishes and cracks that may appear around ceiling fans and lighting fixtures.
