By Wiegmann
Catalog # WA903620FSN43PT

N4 Single Door Freestanding 3-Point Handle 90X36X20 Carbon Steel - Gray.

*Representative Image

Features

- Designed to protect electrical and electronic controls, components and instruments in typical industrial environments
- Enclosure protects enclosure equipment from dust, dirt, oil and dripping water
- These enclosures are used in machine tool applications for housing motor starters, drivers, contactors, PLC's, as well as a wide variety of other electrical and electronic equipment
- The addition of 19-inch rack mounting accessories make these enclosures ideal for providing rugged protection for sensitive rack mounted components in harsh industrial environments
- The enclosures are found extensively in found in automotive, pulp and paper, wood products, textile and similar industries
- Style includes single door single access (single door on front).

Application

Designed to house electrical and electronic controls, terminals, and instruments in areas that are regularly hosed down or are otherwise very wet. Enclosures are also suitable for outdoor applications.
