

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

Magnetic

Magnetic Bridle Ring

Strong, fast and cost-effective alternative cable management solution for network cable pathway applications

Features:

- Super-strong neodymium rare earth magnet provides a secure hold onto any ferromagnetic surface
- Ring crafted from heavy-duty, zinc plated steel which allows for great durability & corrosion resistance
- Available in 1.25", 2" and 4" ring diameter *preassembled* on 100lb pot magnet
- Quick & easy to install without specialized tools and equipment
- Protective steel cup directs magnetic field to fastening surface increasing magnetic pull force
- Sticks through oil, grease, and dirty areas
- Magnets will not interfere with ethernet or wi-fi signals
- Cost effective alternative to expensive cable tray
- Provides support for CAT5e/CAT6 category cable, low-voltage wire, coax, signal & control cable and electrical wire up to 600V
- Suitable for use in air handling systems (plenums) in accordance with Section 300.22 (C) and (D) of the National Electric Code
- UL & CUL listed

Application:

- Provides support in the distribution of wire & cable bundles
 - Network/Data
 - Telcom/Voice
 - Broadband, Satellite, CCTV
 - Low Voltage/Security/Fire Alarm
 - Signal/Control Cable
 - Electrical Wire

Installation:

- Secures to steel beams, ceiling decks, sheet metal, metal joists & other ferromagnetic surfaces
- Used for horizontal or vertical cable runs

Part #	Description	Box Qty	12-digit UPC
WBRL125MAG	1-1/4" Magnetic Bridle Ring, 100 lb Magnet, 1.5" Stem	100	811443031823
WBRL125MAG-10	1-1/4" Magnetic Bridle Ring, 100 lb Magnet, 1.5" Stem, Retail Bag, 10 Pk	10	811443033131
WBRL200MAG	2" Magnetic Bridle Ring, 100 lb Magnet, 1.5" Stem	100	811443031830
WBRL200MAG-10	2" Magnetic Bridle Ring, 100 lb Magnet, 1.5" Stem, Retail Bag, 10 Pk	10	811443033148
WBRL400MAG	4" Magnetic Bridle Ring, 100 lb Magnet, 1.5" Stem	100	811443031847
WBRL400MAG-10	4" Magnetic Bridle Ring, 100 lb Magnet, 1.5" Stem, Retail Bag, 10 Pk	10	811443033155

- | Permanent fixation but still provides the flexibility to be repositioned where needed |
- | Can be used on walls and ceilings, making them ideal for multi-directional cable runs |
- | Designed with an open loop for easy cable installation |
- | No tools needed, simply attach the magnet to a metal surface and run cables |
- | If using a bridle ring with high performance data cable a saddle is required to ensure proper bend |
- | Non-continuous supports may not exceed spacing of 5' per TIA 569-C.9.7 |

*We understand that not all projects can be fulfilled with off-the-shelf products which is why our Quick Build program can deliver custom configurations **FAST!!***

Magnet Specifications:

- Size: 53 x 10mm
- Threaded Hole: ¼ x 20
- Magnet Grade: N35
- Material: Nickel (NiCuNi)
- Temperature Tolerance: -40°F - 176°F (-40°C - 80°C)
- Cup: Nickel-plated steel

Safety:

- Please handle neodymium magnets with care
- Keep neodymium magnets away from anyone with a pacemaker
- Magnets are not toys and should be kept away from children and pets
- Large powerful magnets can pinch your fingers or cause other injuries, use caution
